

Again and again, we would like to thank all of our customers for continued support and patience. During the past few weeks there have been a lot of changes resulting in the current Stay Home, Stay Safe Executive Order. In this newsletter find all of the current updates to our operations in response to COVID 19.

Most recently, we have set up a system to take orders online for each store. Email us your shopping list and we will gather your items for you to pick-up. Payments may be made over the phone. See the emails for each store in the graphic below.

We hope your spirits are high! Let's continue to work together to stay safe in the coming weeks.

**Stay happy and healthy!**
